About the photos

In order to work on a wide variety of e-book readers, the photos in this publication have been reduced from their original size. If you would like the full size versions, all of the poses are available in full resolution and full rotation (usually 24 or more photos per pose) in the Companion Download or on the Companion Disk from our [Pose Shop](#) at www.posespace.com. The print book with disk also has all the photos and can be found at (or ordered by) any book store.

Viewing the photos

Every display device is different and the photos will look different on each one. Some reading platforms allow you to resize the page, for example, Adobe Digital Editions, Nook for PC or Mac, Kindle for PC or Mac, to name a few. In those applications, try resizing the display window. We have set the photos to a 3 wide X 4 high aspect ratio. For example, if you set the view window to 600x800 pixels—plus a little extra height to allow for titles and margins—that should produce a good display of the images. Often, that will fix the problem of parts of the photos being outside the view. Some experimentation is required to get the best results.

The name that precedes every photo refers to the filename in the [Companion Download](#) or [Disk](#).

The photos in this book and disk may be used for games, videos, and digital art if first manipulated in a substantive way, for example, as the basis for a wireframe mesh, skin, or texture. However, they may NOT, in whole or in part, be resold, repackaged and sold, nor given away.

The photos may also be used as a reference for creating traditional art which may then be sold. For example, a drawing, painting, or sculpture is permissible under these guidelines whereas a work which uses the actual photos, such as a collage, would be prohibited.
